Application No. 10/736,310	:	DECISION ON RENEWED PETITION
Filed: June 28, 2004	:	UNDER 37 C.F.R. §1.137(b)
Title: SCENTED HAIR-STICKS	:	

This is a decision on the renewed petition filed August 26, 2005, pursuant to 37 C.F.R. §1.137(b)¹, to revive the above-identified application.

The above-identified application became abandoned for failure to reply in a timely manner to the Notice of Missing Parts (notice), mailed August 17, 2004, which set a shortened statutory period for reply of two (2) months. The notice indicated that an additional claim fee was due for 1 independent claim over 3. No response was received, and no extensions of time under the provisions of 37 C.F.R. §1.136(a) were requested. Accordingly, the above-identified application became abandoned on October 18, 2004.

The original petition was submitted on July 8, 2005, and was dismissed via the mailing of a decision on July 28, 2005. The decision indicated that Petitioner submitted the petition fee, the proper statement of unintentional delay, and \$43. The petition was dismissed as the fee submission was deficient (the amount due was \$100).

With this renewed petition, Petitioner has submitted the remaining \$57.

As such, the petition is **GRANTED**.

¹ A grantable petition pursuant to 37 CFR 1.137(b) must be accompanied by:

- (1) The reply required to the outstanding Office action or notice, unless previously filed;
- (2) The petition fee as set forth in § 1.17(m);
- (3) A statement that the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to this paragraph was unintentional. The Commissioner may require additional information where there is a question whether the delay was unintentional, and;
- (4) Any terminal disclaimer (and fee as set forth in § 1.20(d)) required pursuant to paragraph (d) of this section.

Telephone inquiries regarding *this decision* should be directed to the undersigned at (571) 272-3225. All other inquiries concerning examination procedures or status of the application should be directed to the Technology Center.

The Change of Correspondence Address has been entered and made of record.
